BUSINESS WORKFLOW
MANAGEMENT SOFTWARE

A man in a dark suit is seated at a table covered with a white tablecloth, working on a laptop. On the table, there is a water bottle, a glass, and some brochures. The background is a blue wall with the Plunet logo and various business process terms.

Several people are standing in front of the booth, engaged in conversation. A man in a dark suit is seen from the back, talking to a woman in a black jacket and pink pants. Another man with glasses is partially visible behind them.

A vertical banner for TPBOX. At the top, the logo 'TPBOX' is in white on a red rectangular background. Below the logo, the tagline 'Smoother logistics, smoother business' is written in a small font. The website address 'www.tpbox.com' is prominently displayed in a large, bold, black font. Underneath, the French text 'La solution complète de gestion dédiée aux entreprises de traduction' is written. The bottom section of the banner contains two columns of small text, likely describing the company's services and contact information.

A complete translation environment

On site, with powerful features and robust performance

Translator's Editor

Works on Windows, Mac, and Linux

Translation Memory

TMs with millions of segments? No problem.

Term Base
